Description of Hike:

We will start at Cynthia Schubert house (rest room and free parking!). We will walk on parts of SW Trails #1 and #7, through hilly neighborhoods, Albert Kelly Park, past the historic Dosch estate, through trails that wind down into wooded gullies and up a series of stairs to Fairmont, then loop around back to Santa Monica Ct. Should be over 10,000 steps with plenty of uphill to get our hearts beating. Terrain includes asphalt, gravel, wet grass, and dirt trails.
